EDUCATION

Oklahoma Christian University - Computer Science (through April 2027, available May 2025)

- GPA: 4.0
- Programming I & II: Designed and built a video game using C++ and SFML in Visual Studio.
- Object-Oriented Program: Developed a POS system using Java and Swing in Eclipse.
- Assembly Language: Wrote programs in Assembly Language for AVR and x86 CPUs.

WORK EXPERIENCE

Staff Programmer, Capstone Classical Academy (JANUARY 2022 - PRESENT)

- Designed a custom software solution to manage various day-to-day needs of a new school, now used daily by 45+ employees.
 - Functionality includes applications, hiring, onboarding, purchase orders, leave requests, substitutes, work orders, tech support, inventory, etc.
- Developed software to track reading mastery: classical-literacy.vercel.app.
- Planned, built, and implemented marketing website: capstoneclassical.com.

Programming Tutor, Oklahoma Christian University (AUGUST 2024 - PRESENT)

- Help students understand, write, and debug their labs and programs for Programming I & II.
- Requires technical skill, communication, debugging, and ability to quickly read other people's code.

Freelance Spreadsheet Consultant (SEPTEMBER 2022 - PRESENT)

- Create custom spreadsheet solutions for over 133 clients in 24 countries.
- Received [168+ 5-star reviews](#) (0 reviews less than 5 stars).
- 215+ total orders delivered.

Team Lead, Panera Bread (APRIL 2021 - JUNE 2023)

- Promoted to team lead within my first two weeks of employment.
- Took on more managerial responsibilities.
- Trained new employees.
- Tracked inventory and coordinated product deliveries.
